The Hickory Championship travels to Gotland

Visby Golfklubb invites us to play the 14th Swedish Hickory Championship at its course at Kronholmen, on the west coast of the island of Gotland. We will also play for the trophy Svenska Hickorykannan, which is a handicap competition.

Gotland is situated in the Baltic, off Sweden's east coast. There are air connections from Stockholm (35 minutes) and ferries from Oskarshamn in the south and Nynäshamn, near Stockholm (three hours).

For advice on travel, please contact Jörgen or Pehr (see right hand column). The club has put together a package offer with travel from the mainland, hotel, meals and green fee (see box).

The competitions are open to all comers. There is an entry fee for those who are not members of the Society of Swedish Golf Historians or another golf historical society.

The Championship dinner will take place on Saturday night. The competition will end on Sunday afternoon in time for the evening ferries to the mainland.

■ **The gentlemen's** Championship is played over 36 holes, Saturday–Sunday, scratch. A minimum 50 players will qualify for the second round.

■ **The ladies'** Championship is played over 18 holes on Saturday, scratch.

■ **The seniors'** Championship is played over 18 holes on Saturday, scratch.

■ **Svenska Hickorykannan** is a handicap competition over 18 holes on Sunday. We will play the nine-hole course plus the first nine holes on the 18-hole course.

Svenska Hickorykannan is open for ladies and seniors who played in the championships on Saturday and for gentlemen who did not make the cut. Those who have not competed in the championships are also welcome. Handicaps are multiplied by 1.5.

Players at the Kronholmen course face the sea on the first tee.

You may enter for the championships and for Svenska Hickorykannan during 1 May – 31 July. Send your entries to Jörgen or Pehr together with reservations for the Championship dinner.

In the Swedish Hickory Championship we play with wood-shafted clubs from the hickory era. Some clubs are original, some have been restored, for example with new shafts. You are also welcome to use new clubs that have been made with traditional technique and materials in an effort to recreate original clubs. Steel-shaft club-heads and modern rubber grips do not belong in this Championship.

Our generous sponsors Antik West and Golf-links will have clubs for sale and for rent.

To recreate the hickory atmosphere we encourage players to wear period dress.

You are welcome to join our Society
The Swedish Society of Golf Historians was founded in 1996. We take part in the running of the Swedish Golf Museum in Landskrona, near Malmö. Please visit the museum's website <http://www.svenskagolfmuseet.se/>. We publish a yearbook each spring and a summary in English.

On our website <http://golfhistoriska.golf.se>, you will find information about hickory golf in Sweden. The subscription is 200 kronor per year.
